What does your dining room say about you? How about your kitchen or the master bathroom? What would you like it to say? Interior designer Krista Fox believes every room in your house sends a message about who you are, and the collection of those rooms shapes the story of your life.

In a lively and colorful presentation, Krista will walk you through her design process to show you how she builds beautiful environments for her clients that translate their likes into spaces that bring them joy every day.

You'll leave with insights on current trends in interior design, along with practical advice and tools on how to make changes in your own space that reflect your best life.

Men are welcome, too! The luncheon will be provided by Michael Joseph's Catering.

This event is $35 per person, or $20 for DCA members, and includes a lunch which will be provided by Michael Joseph's Catering.

Prepayment for this event is required by noon on Monday, Oct. 1, and can be made online at the DCA website, or by contacting the DCA at 203-655-9050 ext. 10. The DCA is located at 274 Middlesex Road in Darien.
