Meet Bruno. He's a big boy but he's still a puppy. Stamford Animal Control Officer Tilford Cobb guesses Bruno, who is about nine months old, may be a Cane Corso mix.

"I don't know," he said. "I see some Akita and some Bernese Mountain Dog in him."

Bruno is stressed out in the shelter and ACO Cobb said he's eager to place him in a home with owners willing to get him some training and work to give him some boundaries.

"He's a rambunctious puppy who should be placed with someone who has experience with dogs," Cobb said.
