Darien Library's business book group will meet to discuss Kim Scott's *Radical Candor: How to Be a Kickass Boss Without Losing Your Humanity.*

The group will informally discuss the book from 6 — 6:45 p.m. on Wednesday, June 14 in the Conference Room, and then network over wine, beer, and light refreshments.

This program requires registration**.**

About the Book

Radical Candor is a simple idea: to be a good boss, you have to care personally at the same time that you challenge directly.

_____

When you challenge without caring it's obnoxious aggression; when you care without challenging it's ruinous empathy. When you do neither it's manipulative insincerity.

This simple framework can help you build better relationships at work, and fulfill your three key responsibilities as a leader: creating a culture of feedback (praise and criticism), building a cohesive team, and achieving results you're all proud of.

Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses.

Taken from years of the author's experience, and distilled clearly giving actionable lessons to the reader; it shows managers how to be successful while retaining their humanity, finding meaning in their job, and creating an environment where people both love their work and their colleagues.

Library staff members will lead the discussion. Prior reading of the books is not necessary to attend the discussion.
