A short excerpt (on page 4) from the [preliminary draft](#) for Darien's [2016 Plan of Conservation and Development](#) being put together by consultants (the plan is meant to guide municipal decisions on land-use and development for the decade after it's published):

Darienite Almanac is this website's occasional feature presenting short facts, often in tabular form, that help you understand an aspect of Darien (ometimes a surprising or little-known aspect of the town).
