Who's got the best desserts in Darien? Which of these can you get your beloved on a St. Valentine's Day visit? Find out for \$5 this weekend at the "Something Sweet" event, which also features vendors of non-edible gifts for your Valentine.

The event, which takes place from 12 noon to 3 p.m., Saturday, Feb. 3 at Mather Center — the Darien Senior Center — at 2 Renshaw Road, the same building as Town Hall.

The event, organized by Darien Parks and Recreation Department, allows you to sample desserts from various Darien restaurants and businesses, then vote on your favorite. That part costs \$5 or \$12 for four tickets.

Also featured will be gift items at a variety of price levels and free kids activities, provided by the Darien Police Association, including face painting and Valentine-themed cookie decorating.
