On Wednesday the Depot Youth Center announced that its car wash/pet wash has been not just postponed but totally cancelled because the drought is expected to last for some time.

You can get a refund if you already bought tickets by bringing them to [the Depot](#) — or you could just consider your ticket a contribution to the town's youth center.

The event was originally scheduled for last Sunday, then postponed to Oct. 9.

Here's an announcement posted Wednesday by the Depot [on Facebook](#):
