Date : April 8, 2017

Darien residents can go to any of these Household Hazardous Waste Day dropoff programs to get rid of stuff if you don't want to wait for (or miss) Darien's June 3 drop-off day.

If you've already got some household hazardous waste you're itching to get rid of, start putting it aside.

The first of the drop-off programs takes place April 29 in Weston, the next is on May 6 in Greenwich. The last one is Oct. 28 in Wilton.

Here's the full list (and you can also find it [here](#)):

You can [find out more here](#) on what you can and can't drop off at the Darien Household Hazardous Waste Day program on June 3.
