Bud Johnson of the Kind Buds will play Friday, July 21 with Waynard Scheller at [Grove Street Plaza](#) as part of the Darien Summer Nights concert series.

Bud Johnson has been on the jam band scene for 12 years, and in that time has shared the stage with many talented artists. Waynard Scheller has been performing and traveling with Rainbow Full of Sound.

Inspired by the love of Jerry Garcia music, the two soulfully blend keys and acoustic guitar to produce a groovy sound unlike any heard on Grove Street so far this summer. Together they bring their own sound to the best of The Grateful Dead.

This season they have joined together and kicked off the summer season at Fenway Park.
