Date : January 7, 2018

If you travel on the "Super 7" highway part of Route 7, just off of Interstate 95, you may find lane closures from Monday to Thursday, the Connecticut Department of Transportation [has announced](#).

The closures will all take place between 9 a.m. and 3 p.m., between Exits 1 and 2. The lane closures will take place on both northbound-traffic and southbound-traffic sides of the highway, and are taking place because of bridge inspections.
