Have you seen Rachel, since 11 p.m. on Dec. 3 she's been missing from her home at the corner of [Hollow Tree Ridge and Crooked Mile roads](#) in Darien.

The 7-year-old miniature pinscher weighs 12 pounds and is wearing a brown collar with flowers on it. If you see either, please contact the Nusslein family at 203-554-2034.

"Our search team believes she may have lost her collar in the woods and that someone is caring for her without notifying vets or animal control," says an announcement. "She is deeply missed by her entire family."

There's a \$500 reward for her return.
