The holidays are right around the corner ... remember the excitement and fun of opening presents with your family?

We want to make sure every child has this same wonderful experience this year so we're raising money to purchase two dozen more children's toys for Person to Person's Holiday Toy Store.

Person-to-Person will again be hosting the Holiday Toy Store in December (our 23rd year!). With the help of

a volunteer committee, dozens of volunteers, and countless generous donors, more than 1,900 children will have a holiday that is merry and bright.

Each child will receive a toy, a book, and a board game to play with their family. Sometimes these gift items include gift cards, which are especially helpful and needed for the “sometimes hard-to-buy-for” middle school students and teens!

Help us make this holiday the happiest season of all for all our children!

Cost to purchase two dozen more toys for the Holiday Toy Store: \$288
