Kids and adults looking for fun and bargains flocked downtown and to Noroton Heights, crowding sidewalks on Thursday, the first of three days of the Darien Sidewalk Sale & Family Fun Days.

Runners Roost and some other shops outside of downtown also had items out in front of their storefronts Thursday. Stores are offering discounts and, in a few cases, free food samples. (Check out the \$50 men's watches at David Harvey Jewelers.)

The sales and fun [continue through Saturday, when plenty of events are scheduled for kids.](#)
