To the editor,

No doubt, many of us will be relieved when the political campaigns and the rhetoric end on election day. But until then, please don't lose sight of the critical importance of this election to the future of Connecticut and Darien, and of course, to you as a taxpayer.

As we all know, the Malloy administration and its fiscal mismanagement have been devastating to Connecticut's economy. As proof, Connecticut is ranked 49th in the United States in fiscal health, according to a recent survey. High taxes and excessive spending have not solved our problems, and they're not going to.

We must rebuild Connecticut. To do that, the state needs new leadership NOW. Otherwise, NOTHING is going to change. Please think carefully about your choices, and more important, please understand that any vote for someone other than for Bob Stefanowski for governor and the Republican ticket will be a vote to continue on the same downward path we've been on under Governor Malloy.

This election is about Connecticut and our future — nothing more. *It's up to you and Connecticut's voters to decide what kind of future you and your family are going to have as residents and taxpayers of Connecticut.* Please vote for change. Vote for Connecticut's Republican candidates on Tuesday, Nov. 6, regardless of your party affiliation! Your vote is critical in this very close election.
