For some drivers, car maintenance can be a daunting task. Learn how to perform tune-ups, change transmission fluid, clean your car to protect your investment, and more.

Chaya Milchtein offers accessible automotive education for the average customer, empowering drivers to know more about their vehicles. With five years in automotive repair service and a year in the collision industry, her business is focused on helping people make informed decisions about purchasing and repairing their vehicles.

About Chaya Milchtein

Chaya Milchtein is an automotive educator, writer, and speaker, and founder of Mechanic Shop Femme. Her work has appeared or been featured in publications ranging from the Chicago Tribune to Shondaland.

With seven years in the auto industry under her belt and three years of virtual courses, you're sure to find her class engaging and her information easy to understand. You can find her on Instagram, TikTok, Facebook,
