Corbin Drive will be blocked weekdays from 7 a.m. to 4 p.m., starting Tuesday, April 12 and continuing each day until there's no further need for it, Darien police announced Monday.

Construction of the first stage of The Corbin District is the reason.

"Vehicles needing to access Corbin Drive will be detoured to Center Street, to Old King's Highway South, to the eastern end of Corbin Drive," the announcement said. "Businesses, including the Post Office, will be open and accessible using the construction."

Police will be on the scene "to facilitate the safe and efficient flow of traffic," the announcement said. "Motorists not needing to access the area should consider alternate routes to their destination."
