Sample the best of South Norwalk's restaurants amid pulsing jellyfish and prowling sharks during a fun adults-only evening on Thursday, Jan. 11 in The Maritime Aquarium at Norwalk.

The Jan. 11 event is the Aquarium's next "Maritime with a Twist," which are casual affairs offered occasionally to celebrate and connect SoNo's food and drink with SoNo's anchor, The Maritime Aquarium.

From 6 to 9 p.m., guests 21 and over can explore the entire Aquarium, including the expanded new jellyfish exhibit "Journey with Jellies" and the new "Sea Turtle Nursery" featuring an adorable 4-month-old loggerhead sea turtle.
