All after-school and evening activities at Darien Public Schools have been cancelled for Thursday due to weather concerns, according to an email from a school district official.

The email, from Darien High School Principal Ellen Dunn, referenced "the school district decision to cancel after-school and evening activities" Thursday night. The school district neither sent an email to news organizations in town nor mentioned the cancellation on its website. It may have sent an email to parents.

Here is the text of the email, sent at 11:16 a.m.:
