A 'Black Lives Matter' protest walk has been planned for Sunday in Darien, starting at 1 p.m. at Trader Joe's, 436 Post Road and ending at the Darien Police Headquarters, 25 Hecker Ave.

The Darien Democratic Town Committee reported on its website: "March co-organizer Steven Gomez, 20 , confirmed the details with the DTC:

Quick rundown, there is a parking lot near Trader Joe's, we will have people park there and around, we will have a few people who want to speak, a moment of silence for George and the other lives lost, then a walk down post road to DPD, and back to get to our cars.

A peaceful protest, masks required, gloves if possible, and we just want to spread awareness and pop the bubble which is Darien.

"Steven Gomez, 20 and Barak Mustafa, 19, both Middlesex and Darien High graduates, are co-organizers of the event. It was originally advertised under Gomez's [Instagram account](#)." The Darien Times [reported Saturday](#).

"Please wear mask and gloves," the poster for the event states.
