Number of Customers Affected: Approximately 8 customers

Streets Affected:

Street	House Numbers (approximate)
Park Ln	Between West Ave and Holmes Ave

During and after the outage event, some customers may experience discolored water. You may want to use stored water for drinking and cooking, and delay clothes washing until water is clear. Run your cold water faucet until the water appears clear, prior to resuming use for these purposes.

Here's what the announcement looks like on the Darien page of the Aquarion website:
