All current third and fourth grade students in the Darien Public Schools who wish to begin learning a band instrument in the fall of this year are invited and encouraged to attend the beginning Band informational evening meeting to be held in the Tokeneke School Common Room at 7 p.m., Thursday, June 7.

This presentation will be for interested students and their parents in all five of Darien's Elementary Schools. An explanation of our Band program, instrument demonstrations, instrument rental program information, and class registrations for this fall will take place at this time.

All interested students entering 4th or 5th grade in the fall are eligible to begin Band instrument instructions. All students attending these sessions must be accompanied by an adult. Information regarding this opportunity for students will also be distributed to students in their respective schools.
