You can add your voice Monday at a public hearing in Hartford by a state Legislature Committee considering several proposals related to gun control, state Rep. Matthew Blumenthal announced.

"On Monday, the Judiciary Committee will be holding a public hearing on 4 gun-safety bills: HB 7218 & HB 7223 (safe storage), HB 7219 (ghost/3D-printed), & SB 60 (show permit)," the Stamford Democrat, whose state House district, 147, includes part of Darien, announced [in a tweet](#) on Friday. "Will we look out from the dais & see red (& orange)?"

Blumenthal linked to [an event page](#) on Facebook from the group Connecticut Against Gun Violence that said:

- HELP ADVOCATE FOR STRONGER GUN LAWS IN CT: The public hearing on bills to

strengthen firearm storage and regulate ghost guns will be March 11 in Hartford. Whether as an observer, testifying in person or submitting written testimony, participating in a public hearing is one of the most important ways you can show support for these bills. To participate, please [RSVP here](#) and you'll get our guide with logistics and information on preparing written or in-person testimony.
