The 2018 Undies Project Mardi “Bra” campaign starts Jan. 29 and we need the community’s help and support in the Darien area.

---

---

We are collecting new, and gently used, bras to donate to those less fortunate who are on low incomes. For them a bra is a big expense.

We urge the community to take the time to purchase a new bra, or to look in their drawers for gently used, hardly worn bras that they no longer need. There is always a shortage of bras of all sizes, but in particular sizes 34-38.

Bras can be dropped off at the following participating local businesses from Monday, Jan. 29 until Tuesday, Feb. 13:

- Aux De?lices: 25 Old Kings Hwy. N., Darien
- YWCA: 45 Old Kings Hwy. N., Darien

All donations received will be distributed to local organizations that help those in need.
