<https://darienite.com> Wood, New Jersey, the second daughter of Frederick and Carol Peters. A natural athlete, she grew up throwing and catching a baseball with the Yankees, who practiced in the park near her house. Preferring playing to watching sports, she met many friends over the decades through field hockey, tennis, skiing, sailing, golf, and paddle tennis.

She attended Dwight School for Girls in Englewood, New Jersey and graduated from Dana Hall in Wellesley, Massachusetts in 1958. She went on to graduate from Bradford College in 1960.

Carolyn cared deeply about her community, and throughout her life she dedicated her time and talent to many organizations. Always a believer in the ability of people to work together to generate better social, economic, and environmental outcomes, she volunteered extensively at the local, state, and national level to achieve a better world.

Philanthropically, she helped promote the Head Start program and the Lockwood-Mathews Mansion preservation in Norwalk through the Junior League. Later, she invested herself in the Garden Club of America (GCA), as President of the Darien Garden Club for two years, and later as a member of the GCA Board of Associates.

She had a particular interest in the preservation of coastal wetlands, and in her 70s, embarked on a week-long canoe and camping trip through the Everglades with friends.

Politically, she was actively engaged in the Darien community for many years, serving as chairwoman of the Republican Town Committee and in numerous elected and appointed positions over the course of three decades.

Carolyn also fought cancer for over 25 years. She never let any ailment dampen her spirits or her motivation to brighten the lives of those around her.

Friends have described her as outgoing, charismatic, loyal, and kind. She will be remembered as a loving daughter, wife, mother, grandmother, aunt, and friend.

A memorial service will be held at 11 a.m., May 4, 2019 at the Noroton Presbyterian Church, with a reception following.

In lieu of flowers, please make donations in her name to the Garden Club of America (particularly the Coastal Wetlands Scholarship), the Darien Historical Society, the Lockwood-Mathews Mansion, the Bennett Cancer Center in Stamford or the Naples Botanical Garden.
