When you become overwhelmed by the clutter and all the stuff in your home, then you can no longer think clearly.

Andrea will discuss some steps on how to clear the decks and clear your mind, so that you can start to take control of your home and your life.

This is perfect for busy parents, empty nesters and those looking to downsize. Andréa Deinstadt is a professional organizer, serving Fairfield and Westchester County families for over 12 years.

This event is \$35 per person, or \$20 for DCA members, and includes a lunch which will be provided by Michael Joseph's Catering.

Prepayment for this event is required by noon on Monday, Feb. 4, and can be made online at [the DCA](#)
