The team of fellowship-trained and board-certified physicians and surgeons at Coastal Orthopedics are here to keep you moving, providing expertise in all areas of orthopedic care.

The physicians and surgeons at Coastal Orthopedics concentrate on operative and non-operative solutions to musculoskeletal problems, offering pain management and minimally-invasive surgery to get you back to doing what you love. The Darien team has specialists who help with a wide range of orthopedic problems.

OrthoConnecticut Coastal Orthopedics has offices in Westport, Norwalk and Darien, is a group of fellowship-trained and board-certified surgeons. They offer same-day appointments and walk-in emergency services seven days a week with OrthoCare Express.
