DAC Stage, in collaboration with The Lipstick Project, is producing the first ever all-female cast of Kander and Ebb's musical, Cabaret.

The show will open on April 27 and run three weekends at the DAC's Weatherstone Studio. For this special production, Darien Arts Center Stage, the DAC's community theatre group, has augmented their pool of talent with that of The Lipstick Project, an all-female theatre group from Darien and surrounding towns, with a mission of empowering women through artistic opportunity and expression.

The original Cabaret debuted on Broadway in 1966 and returned in 1998 for a successful six-year run. It takes place in a Berlin nightclub, as the 1920s draw to a close.

A garish Master of Ceremonies welcomes audiences and assures them they will forget all their troubles at the Cabaret. With the Emcee's bawdy songs as wry commentary, Cabaret explores the dark, heady, and tumultuous life of Berlin's natives and expatriates as Germany slowly yields to the emerging Third Reich.

Musical numbers include "Willkommen," "Cabaret," "Don't Tell Mama" and "Two Ladies."
