The "Day to Create" Community Arts Festival on Saturday afternoon includes a variety of crafty activities for kids — including hands-on arts, face painting, animals and more — and an opportunity for adults to learn more about community nonprofit agencies.

Made possible through the generosity of local non-for profit agencies, the event is organized by the Darien Youth Commission. Former Ringling Bros. & Barnum & Bailey Ringmaster Joe Barney will be performing in the Town Hall Auditorium from 12:15 to 1 p.m.
