Date : December 23, 2017

A Connecticut Department of Transportation fare increase of 1% goes into effect for stations on the Connecticut portion of the New Haven Line on Jan. 1.

This is the last of seven consecutive annual fare increases that were previously authorized to fund the purchase of M8 rail cars.

The changes will affect ticket prices for travel:

Between stations within Connecticut;

Between Connecticut and New York stations.

The fare increase does not affect travel to/from stations within New York state.
