Students **Toby Cowles** and **Chris Stoumpas** secured first place in board game design. **Evan Tong** also brought home a first place win in photographic tech. Darien had two teams competing in the debating technical issues event, both of whom fought hard.

Declan O'Mara and **Andrew Skogland** secured second place, while Tommy Lasagne and Thomas Kiernan earned a third place trophy.

Evan Tong and **Hudson Lazzara** won third place in structural engineering, and **Declan O'Mara**, **Tommy Lasagne**, and **John Khachian** were awarded second place in video game design for their original videogame: *A Day at TSA*.
