Date : October 10, 2021

Darien police have announced parking restrictions on two Darien streets in connection with redevelopment projects — one in downtown Darien and another in Noroton Heights.

In Noroton Heights, Edgerton Street "will be closed in both directions between West Avenue and Heights Road from 7:30 a.m. until 3:30 p.m." on Monday, Oct. 11, the announcement said.

The closure is related to ongoing construction of the Darien Commons project by Federal Realty Investment Trust.

In downtown Darien, Corbin Drive won't have parking "until further notice, "due to the ongoing construction project downtown" (The Corbin District).
