While many youth activities have gone virtual or been cancelled altogether due to the pandemic, Darien Scouting has continued to provide programs for local youth to enjoy fun outdoor activities, build leadership skills, make lifelong friends, and provide valuable community service, all while following COVID-19 safety procedures.

Darien Scouting has programs for grades K-12 including Cub Scouts for boy and girl elementary students, separate boy and girl Scout BSA troops for middle and high school students, and the first-in-the-nation coed STEM Venture Crew for high schoolers interested in developing and teaching STEM-based curriculum.

Programs are up and running now, and new Scouts can join any time.

For program and registration information, email darienscouts@gmail.com.
