Date : February 25, 2019

Summer School & Enrichment's website has a brand new look! You can heck out the new website and register at DarienSummerSchool.com.

— *an announcement from Darien Summer School*

The redesign produced an enhanced online catalog and registration system that allows families to complete advanced searches for classes and camps or produce lists of programs by student age, class topic, or both.

The platform has also been upgraded to allow for access from mobile devices. With the ease of searching for and selecting classes, families will be able to access and register for their choice of over 200 different programs for children ages 3-18.
