*You're invited to help Darien's TV79 to broadcast meetings of Town government.*

Our programming is “gavel to gavel,” without editing or commentary. Like C-SPAN and CT-N, TV79 runs coverage that is unbiased and unedited.

*Don't know much about running a video camera?*

No problem! We'll train you as a camera operator. No TV experience is required. Volunteers can work as little as once a month or as often as several nights a week — whatever time you can commit.

*Want to learn TV production?*

We shoot most meetings remote control from our studio. Or we send out a crew with a camcorder and audio gear.

***Earn Money While You Learn***

TV79 pays camera operators \$25 per hour. Meetings are weekday evenings.

***Advisory Committee Also Needs Volunteers***

We're looking for seasoned professionals with a knowledge of journalism and broadcasting to advise the volunteer staff of TV79 on its operations.

***About TV79***

Funded by Cablevision subscribers and the Town, TV79 covers meetings of town boards and commissions. We also produce documentaries and reports on town events.

To join TV79's videographer crew, contact Program Director Jim Cameron at 203-952-5758.
