2017 SUMMER CAMP REGISTRATION GUIDELINES

- Children who are members of the Darien YMCA or who have parents who are YMCA members will receive priority registration due to a ruling by the Darien Planning and Zoning Commission. Siblings of returning campers may register during priority registration **if they are a member**. They must register in person, not on-line.
- Our 4 Session discount only applies if you are registering your child for 4 sessions of the same camp. **If registering on-line the 4 session discount will not calculate. You may apply for a System Credit after your register.**
- A non-member fee of \$50 per session will be added.

- Determine correct camp placement by noting what grade in school the child just has completed. If a child has not attended Kindergarten, they must attend the Pre School Camp.
- It is required that all campers must have a 2017 Camp Registration/Emergency Form, and a medical form signed by the doctor (within 36 months), **on file prior to the start of camp.** No child will be permitted into camp unless these forms are received.

CAMP REFUND POLICY

- A participant canceling before May 1st will receive a refund or on-line credit less a \$50 charge per session cancelling.
- A participant canceling after May 1st will receive a refund or on-line credit less a 30% charge per session cancelling.
- A participant canceling after June 1st will receive an on-line credit only less a 30% charge per session cancelling.
- If a participant cancels after the 1st day of camp, no refund will be given.
