The Darien Community Association is getting in the spirit with their annual Mom's Morning In Halloween Parade, happening at 10 a.m., Friday, Oct. 29.

It's back! Our parade is a colorful tradition! Dress up your little ones and bring a bag for trick or treating at the doors of local Darien merchants along the Post Road.

Meet at the parking lot next to the Darien Fire Station opposite Post Corner Pizza.

As a safety precaution because of the number of participants and proximity on the sidewalk, we are encouraging masking.

And we have decided not to host the gathering in Tilley Pond Park for the Amazing Andy magic show after the parade (hopefully next year!).
