To the editor:

As a relatively new resident of Darien, I can attest that one of the most important reasons for choosing this wonderful town was the school system.

My wife and I have always valued education and it is for that reason that we support Mike Burke and Sara Parent.

Both Mike and Sara have demonstrated an unwavering commitment and dedication to the children of our town. Sara has an excellent background in education and has demonstrated a remarkable devotion to education. Likewise, Mike's commitment to educating our children is inspiring and exemplary of his character.

Both candidates are clearly driven and have demonstrated a desire to ensure that our children receive the best education possible, especially during these challenging and ever evolving times.

Therefore, we trust that our children will benefit greatly with Mike and Sara on the Board of Education.
