Twelve streets or parts of streets in town are scheduled to be paved from Aug. 6 to 23 in this year's street paving program, the Darien Department of Public Works announced on Friday.

"Please avoid these roads if possible during these times or use extra caution if you must travel on these roads," the DPW announcement said, adding that the detailed schedule could always change based on weather conditions.

Preparatory work will precede paving on all of the above roads. Dates listed above include milling and paving. Road surfaces will have raised structures during these dates.

Please avoid these roads if possible during these times or use extra caution if you must travel on these roads. The above schedule is based on favorable weather conditions.

Emergency access will be available at all times. Town of Darien police officers will be present to direct traffic and assist area residents during construction. Driveway access will be limited during paving operations.

However, no single driveway should be closed for more than an hour. On street parking will be suspended during paving operations.

Minor traffic delays are likely. Please plan your travels accordingly. Please call the Department of Public Works at 656-7346 for further information.
