**Date :** January 30, 2020

East Coast Contemporary Ballet is coming to Darien Arts Center on Tuesday, Feb. 14, with a performance titled "Celebration of Love for the Arts" including four original works of contemporary dance.

— *an announcement from* [Darien Arts Center](#)

ECCB presents ballets that push the physical and artistic boundaries of contemporary dance, seeking to reach a diverse audience and to fill a void as a continually active and innovative contemporary ballet company.

The evening of contemporary dance will feature four original works produced by the groundbreaking non-profit. A wine reception and meet and greet will follow the performance.

***If You're Going ...***
