The Town of Darien's Health, Human Services and Senior Programs departments urge all residents to sign up for Code Red alerts, if they have not done so already.

— an announcement from the two town departments

Detailed information regarding vaccine availability for Darien residents will be announced through the First Selectman's weekly Code Red message, as well as local media outlets.

As plans for Phase 1B develop we want to make sure everyone is informed, particularly those who will be eligible during that phase, such as seniors over age 75.
