Date : December 19, 2019

The Depot invites 7th and 8th grade girls to join the Garden Club, a group that will help them "water their beauty within while equipping them with the tools to form healthy roots as they blossom into flourishing young ladies!"

"Based on the book *Water Yourself* by Shannon Malkin Daniels, this club will help girls learn to make time for themselves, weed out the bad and make room for the good," says the poster for the club (see below).
