The Darien Police Department advises that the following traffic regulations are being put into effect for the area surrounding Darien High School on Wednesday June 16th, starting at 4 p.m.

— *an announcement from Darien police*

—As in previous years, all traffic will enter the high school grounds via Noroton Avenue. Vehicular traffic will not be permitted to enter the area via High School Lane or Nutmeg Lane. Officers will be present to direct all vehicles to appropriate and designated parking areas.

—All vehicles will be properly parked so as to facilitate and expedite the safe flow of vehicles at the

conclusion of the graduation ceremony.

—If needed, vehicles will be parked on both sides of Nutmeg Lane and High School Lane facing away from Darien High School.

—Motorists are asked to pay particular attention to posted “No Parking” areas. Previous experiences have resulted in illegally parked vehicles blocking driveways or restricting access to emergency vehicles. Improperly parked vehicles causing restrictions of this type will be towed.

—Handicap-accessible parking will be located in the lower parking lot near the stadium field. Let a traffic officer know if you need to park there and you will be directed accordingly.
