A YMCA surveillance camera covering the parking lot showed a male enter the lot from the Post Road, enter a vehicle and — 30 seconds later — get out of the vehicle.

The video recording was consulted after a man found that a \$100 bill was missing from his wallet, which he had put in the center console before he went in the building to work out.

He didn't lock the vehicle, which was vulnerable in the lot at 2420 Post Road from about 3:45 to 4:45 p.m. on Friday the 13th.
