Date : September 12, 2022

Grace Farms is hosting an hourlong public conversation Thursday evening, Sept. 29, about how innovative leaders in education are transforming our systems to be more inclusive, globally competitive, and aligned with a changing world.

The panel includes the president of Williams College, the CEO of the College Board (which administers SATs and AP exams) and an education research director at Stanford University.

—**David Coleman**, [CEO of the College Board](#), the not-for-profit organization that develops and administers tests like the SATs and AP exams,

—**Sam Seidel**, author and K12 director of strategy + research at [the Stanford d.school](#), and

—**Maud Mandel**, [president of Williams College](#), who is leading bold strategies to drive inclusion in financial aid and admissions as the first woman to lead the liberal arts college.

This panel will be moderated by Grace Farms Foundation Program Officer **Karen Kariuki**.

"The event is part of our ongoing commitment to engaging the education sector through programs and workshops that foster inclusive environments and welcome influential speakers who use education as a launchpad for increased opportunity," Grace Farms says in its announcement.

The event is presented in partnership with Connecticut Public Radio.
