One of the lanes on Exit 11 from the northbound-traffic side of Interstate 95 will be closed sometime between 9 a.m. and 3 p.m., Thursday, Oct. 11, the Connecticut Department of Transportation announced.

The lane closure is one of several in the area happening next week on and around I-95 in and around Darien for bridge inspections and maintenance, according to [the announcement](#).

Here are the others:

Westport — Monday through Thursday: Alternating right and left lane closures on I-95, on both northbound-traffic and southbound-traffic sides, between Exits 18 and 19 (on Monday and Tuesday) and between Exits 17 and 18 (Wednesday and Thursday). All work is scheduled to be done sometime between 9 a.m. and 3 p.m. on each day.
