To the editor,

It is time to send a woman to Washington D.C. to represent us in Congress!! Jayme Stevenson is the perfect woman to do this. Join me on Aug. 9 and vote for Jayme in the Republican Primary!

I have known Jayme for over 20 years and had the privilege to work with her on the Darien Board of Selectmen for six years.

As a municipal and regional leader working in a bipartisan manner, Jayme created public policy, found solutions, and built consensus on issues that positively impacted hundreds of residents and businesses. We need the same sound governance over party politics in Congress.
