Darien Summer Nights continues this Friday, July 20 with Jeff Mucciolo and his band CC: Legend, after an incredible debut performance last summer to rave reviews.

Jeff graduated from Darien High School in 1983 and is thrilled to have his band back for an encore concert. CC: Legend is a band devoted to the music of reggae pioneer, Bob Marley.

The band delivers an authentic rendition of all your favorite uplifting and infectious songs by Bob Marley and the Wailers. Jeff is joined by a talented group of New York musicians and they look forward to playing the smooth summer sound of Bob Marley.
