The Children's Library will be welcoming dancers from The Radio City Rockettes to Darien Library, although they aren't expected to be dancing here.

Families are invited to join a special craft workshop from 4 to 5 p.m., Thursday, Sept. 13 to make items that can light up the night.

At the holiday-lights-themed crafting sessions, children and families from the local communities will be able to decorate jars filled with festive lights.

After the activity, families are invited to pose and take photographs with our visiting guests.
