These inspection reports for Darien food-serving establishments were just released by Darien Health Department.

The three inspections took place between May 31 and June 4.

Keep in mind that a food-serving establishment with a history of good ratings may occasionally get a poor inspection rating, occasionally the best do, and every restaurant normally gets a few things wrong.

Here's an alphabetical list of the most recently released health inspection results (an explanation of how this list is put together is immediately below it):

—Atria Darien — 50 Ledge Road — [May 31](#) — [Town Rating: A](#) — State Score: 93

—Bodega Taco Bar — 980 Post Road — [June 4](#) — [Town Rating: A](#) — State Score: 94

—Mather Center: Darien Senior Program — 2 Renshaw Road — [June 4](#) — [Town Rating: A](#) — State Score: 94

**Dates** link to the food establishment's inspection report referenced here (when available, sometimes it takes a while to get posted online), and **Darien's own A/B/C ratings** link to a Web page showing

several of the restaurant's recent inspection ratings.

**For restaurants and other food-serving establishments rated "C," and for some others of interest to the public (like schools) additional information is given.** When we provide that information here, then words within brackets ("[ ]") have been added for clarity by Darienite.com; semicolons (";") separate individual comments by the inspectors. Each comment separated by semicolons is about a particular violation that triggers a deduction of one or more points from a perfect state score of 100.

### How Darien's Food-Serving Places Are Rated

Restaurants in town are rated under the Darien Health Department's own A/B/C ratings system. Health inspectors also use the state health code regulations to score restaurants, with a perfect score set at 100, and demerits (of 1 to 4 points each) for various code violations.

The Darien system takes into account problems that are ongoing, so a restaurant scoring higher than others on the state scale may actually get a lower score on the Darien scale.

Any establishment actually deemed unsafe can be closed by the town Health Department until violations are fixed. Town Health Director David Knauf says that has never happened in the time he's been with the department.
