*Editor's note: This letter to Justine Mullin and Kate Mastellone of the Hindley Parents Association at Hindley School, was provided to Darienite.com for publication:*

Dear Justine and Kate,

On behalf of Darien Human Services, I wanted to thank you and the Hindley Happening chairpersons and committee for your generous support. The Hindley Happening Committee provided gift packages to 13 families in town with admission to the fair, punch cards for rides, and food vouchers.

These packages gave local children the opportunity to enjoy the beautiful weather, rides, carnival games and pizza at the Hindley Happening. The joy you brought to these children (and their parents) was priceless!

Thanks, again, for helping us help others. With your generous support, we were able to make the lives of some local children and families a little happier.

Wishing you a good ending to the school year and a happy summer,

Ali Ramsteck, LCSW  
Director of Human Services  
Town of Darien

*Editor's further note: This year, yet again, the parents association didn't send an announcement to Darienite.com about the event, and due to an illness, we didn't scrounge around ourselves searching for one. We're also tired of asking. Perhaps next year we'll pepper the principal with Freedom of Information Act requests.*
