To the editor:

For the last 18 months many of our institutions such as the media, the Justice Department, our intelligence agencies and simple, common decency have been under assault.

Please join me at [a rally on Sunday, Oct. 21 at 1 p.m. at Tilley Pond Park](#), Darien, to begin the process of a course correction towards normalcy. Make our collective voices heard as one and deliver the message that this is not acceptable.
